Who we are

Established in 1913, the Workers' Educational Association Sydney (WEA Sydney) is one of Sydney's oldest continuous providers of adult education.

We offer thousands of courses to students in Sydney and beyond in a wide variety of topics at remarkable value presented by professional, enthusiastic and friendly tutors.

As a not-for-profit, independent educational provider, our mission is to:

"provide access to stimulating and varied activities which promote learning, develop knowledge, and encourage participation in democratic society."

WEA Sydney is a welcoming and inclusive organisation where you will make wonderful friends as you study courses of your choice either in our comfortable learning spaces at WEA House, or online.

Why enrol with us?

Want to be involved?

Apart from being a student, there are other exciting ways for you to be involved with your WEA Sydney.

Become a Member

For as little as \$25 for one year, you will receive a 10% discount on every course, free enrolment into Members' Lectures, invitations to special events and more.

Join the Council

Be an active participant in discussing the courses on offer and the running of the WEA, and have the opportunity to engage with guest speakers. Council meets once a month and you can participate online or come into WEA House.

Make a Bequest or Donation

You can make a difference to WEA by making a donation or a bequest. No amount is too small (nor too big!)

Learn Together

We have a fantastic Discussion Group Program for people who like to get together in their own community to explore and share learning together.
